"Madness is only a variety of mental non-conformity,
and we are all individualists here."

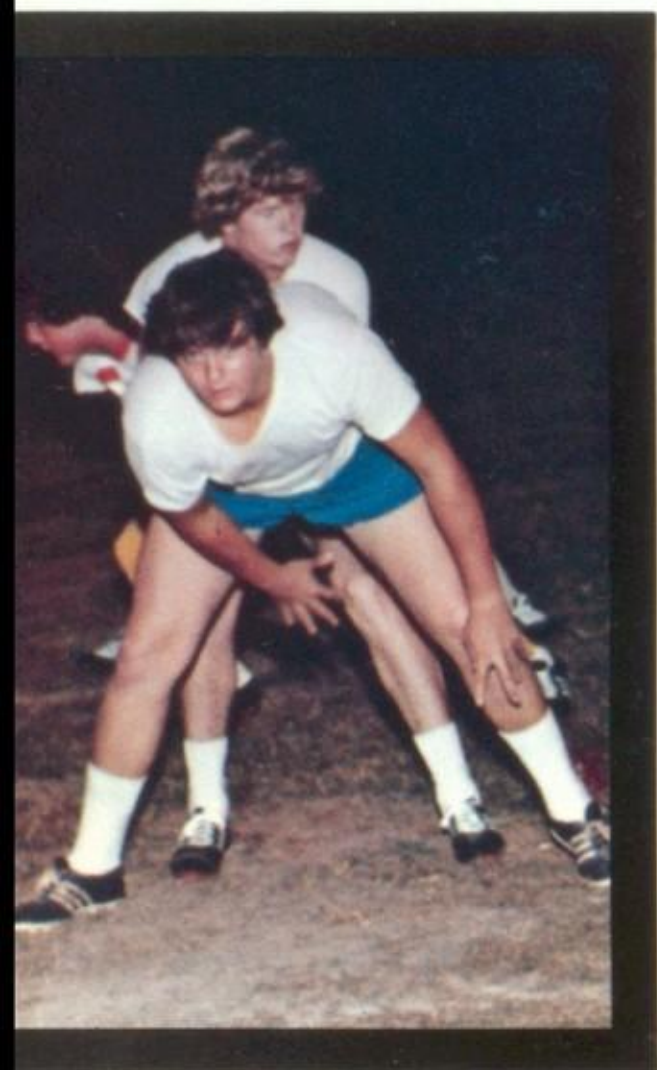

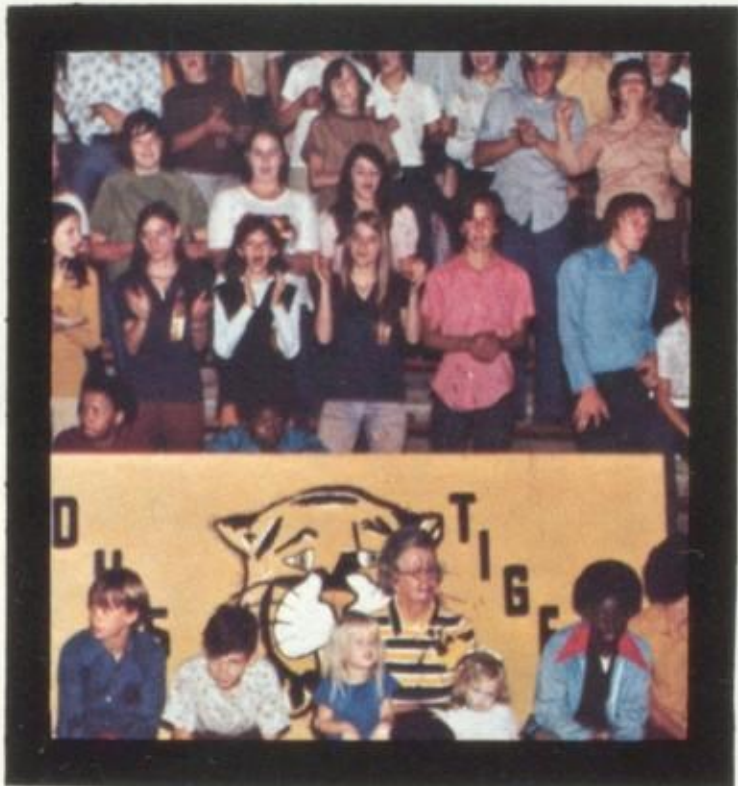

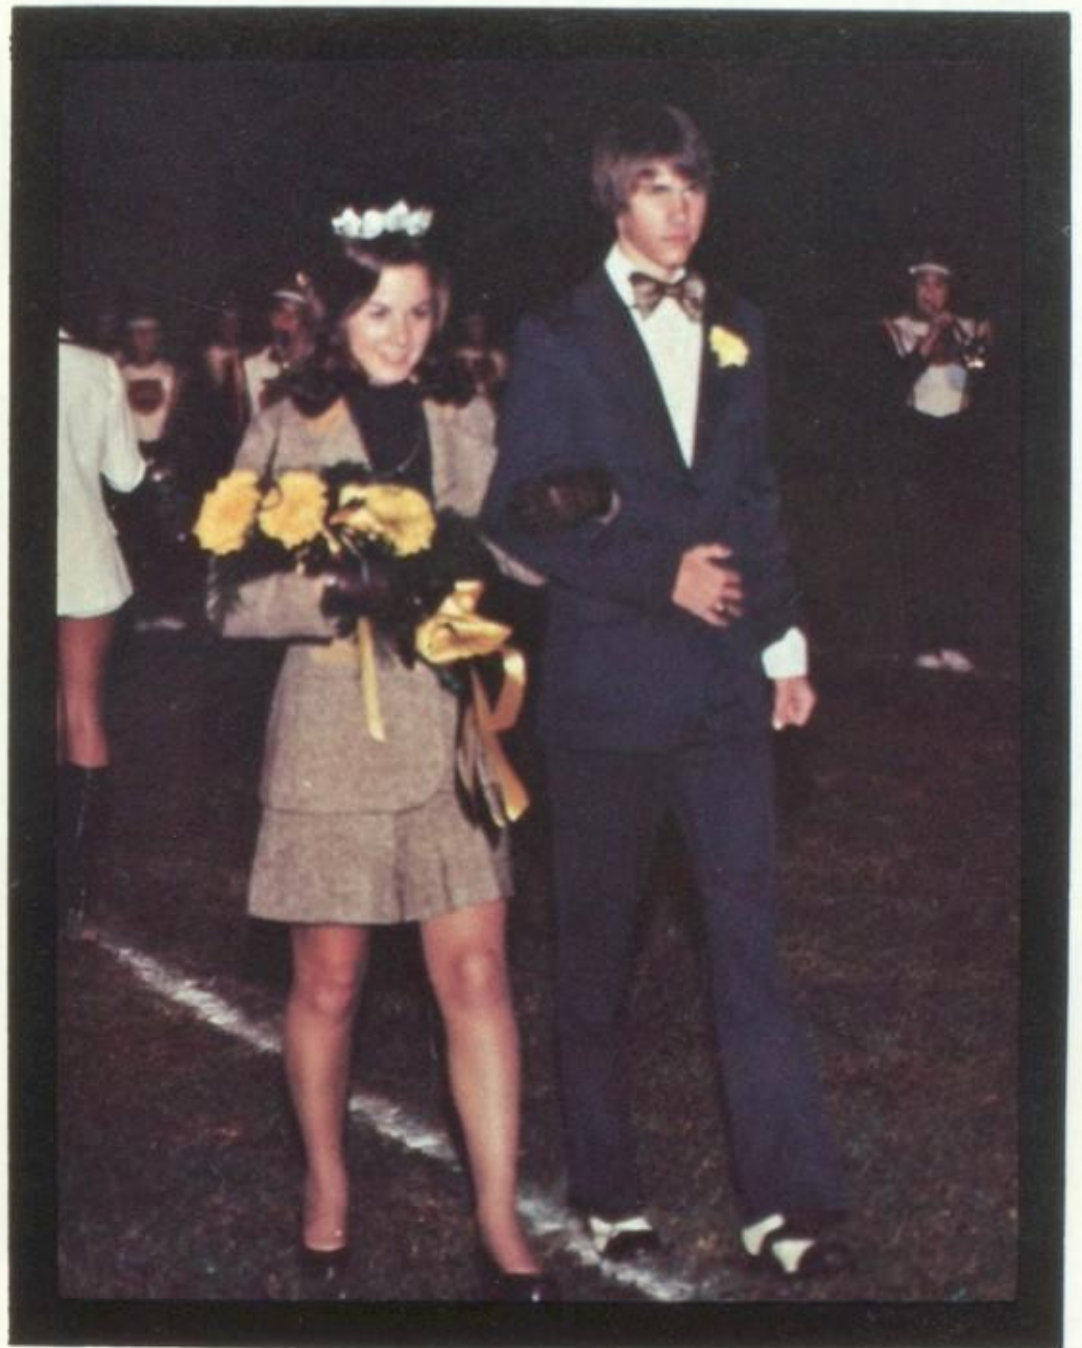

We are the music makers,
And we are the dreamer
of dreams . . .
World-losers and world-
forsakers,
on whom the pale moon
gleams:
Yet we are the movers and
shakers
Of the world forever, it
seems.

Arthur O'Shaughnessey

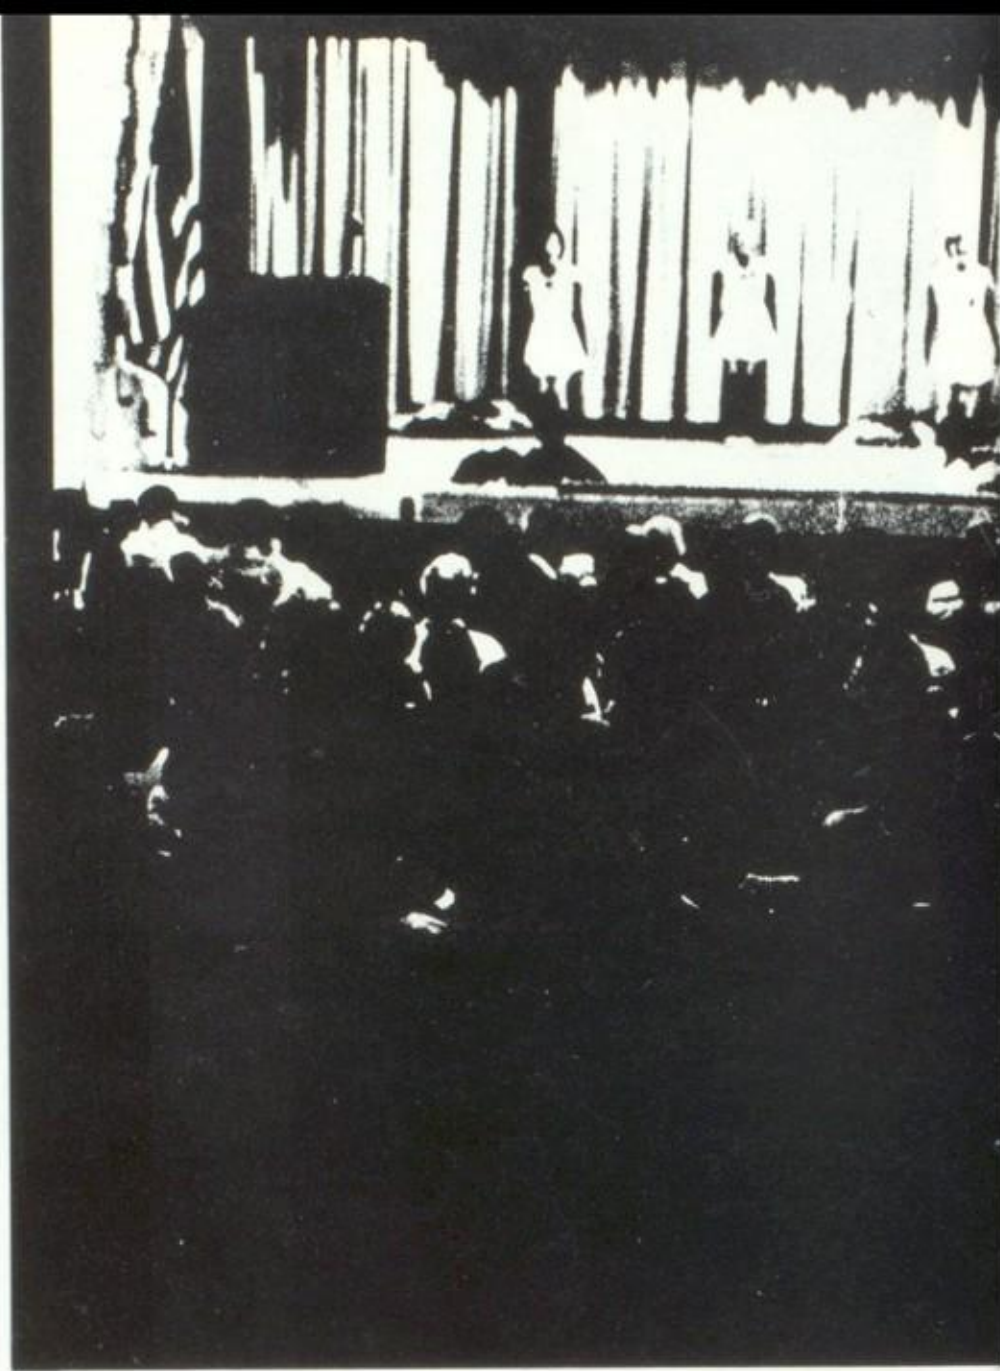

Many people stay after school for one reason or another. This elite group is comprised of practicing football players, band members and cheerleaders. The students caught leaving empty bottles in the trash can, being noisy at recess or smoking in the bathrooms stay after school for a different reason.

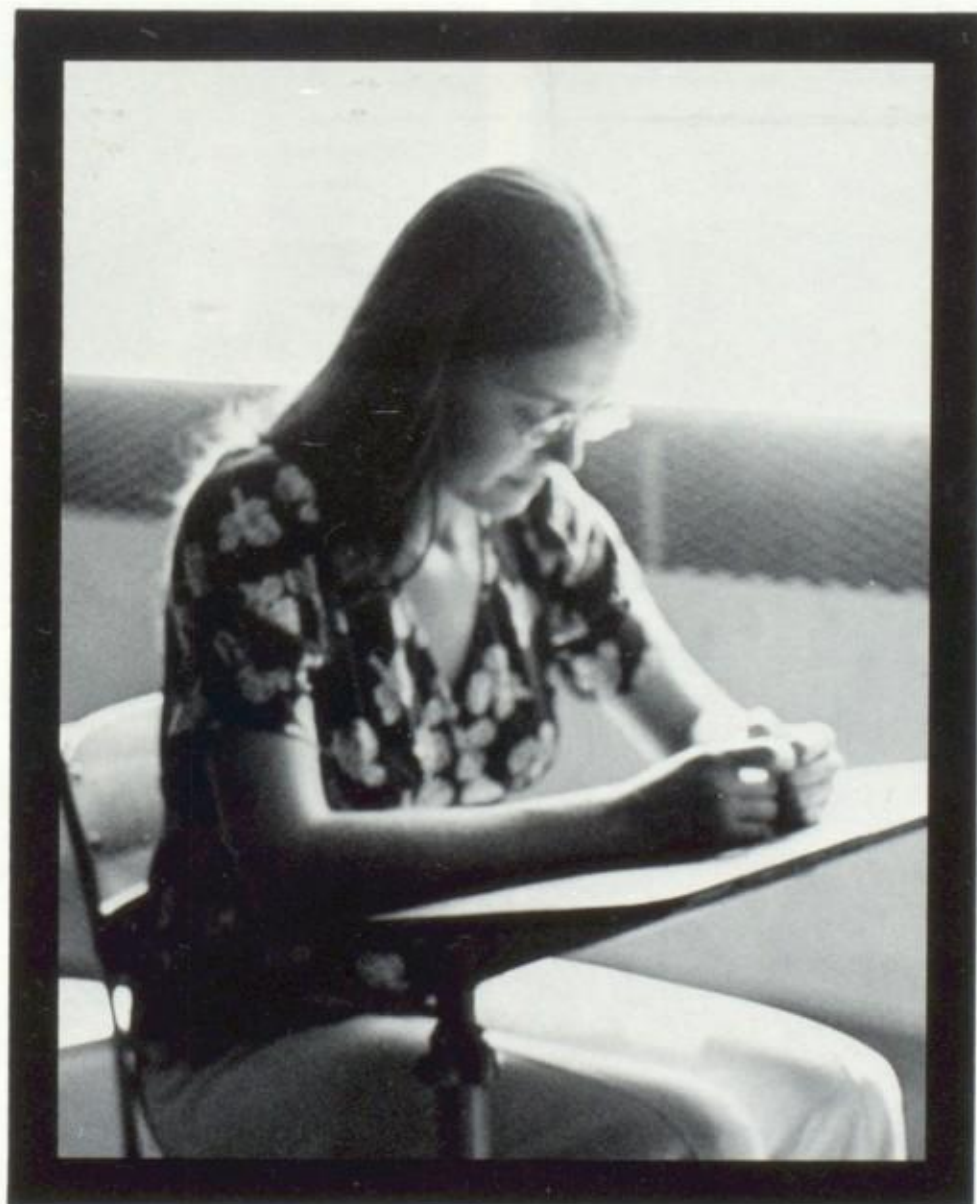

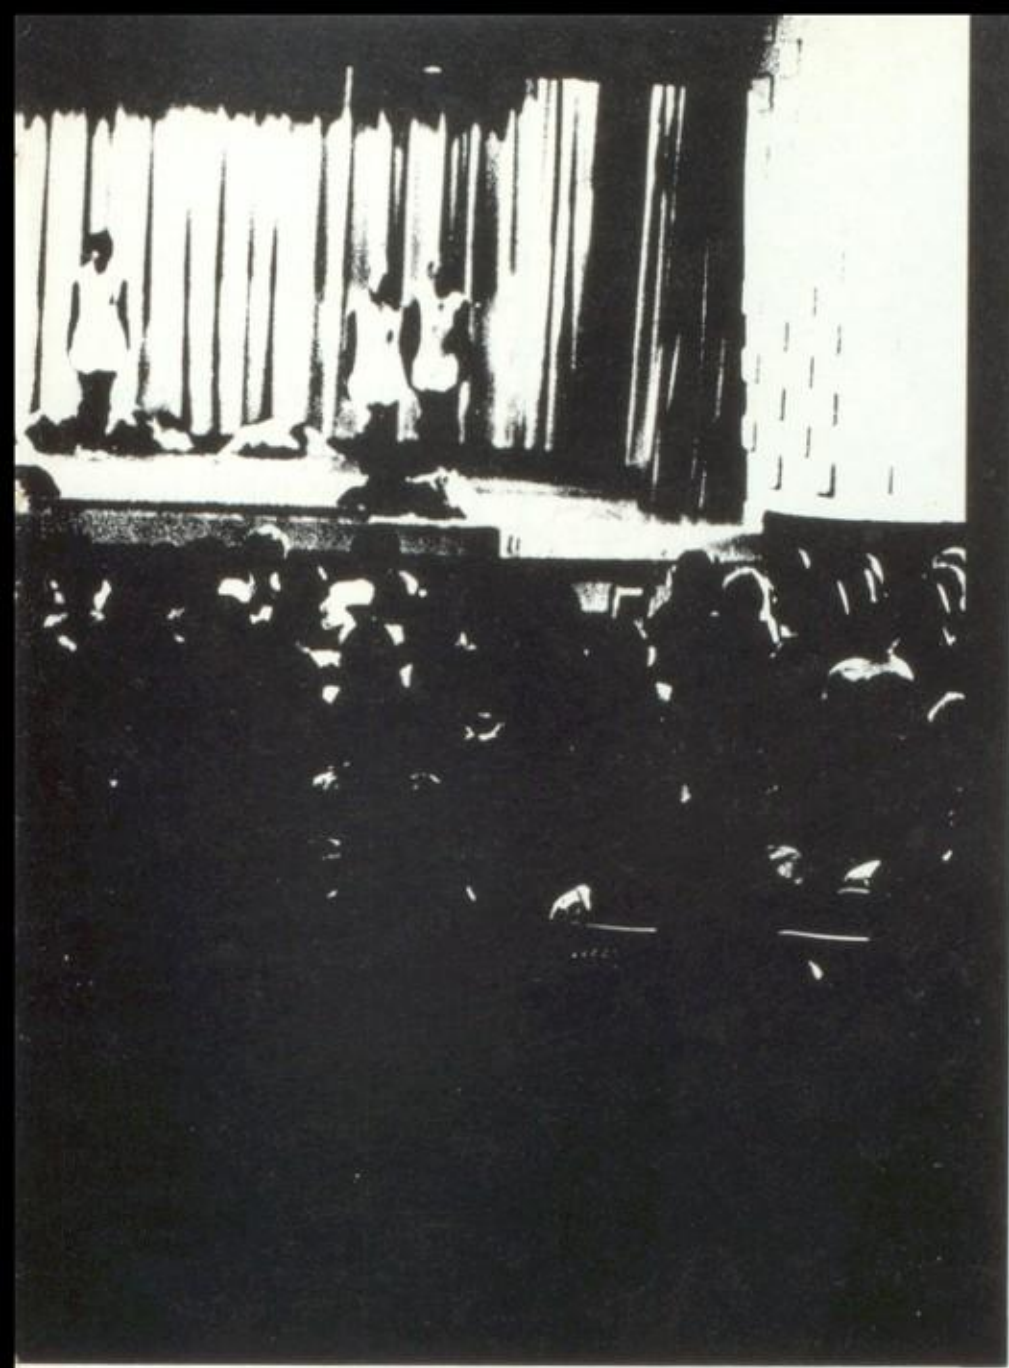

Happy, we celebrate. Gaily.
Noisily. Excitedly. For the
year brings with it many
examples of victory.

But through it all runs a ribbon of sturdy silence. Togetherness can't be explained by noises or words. It's best considered in the quietness of our afterthoughts.

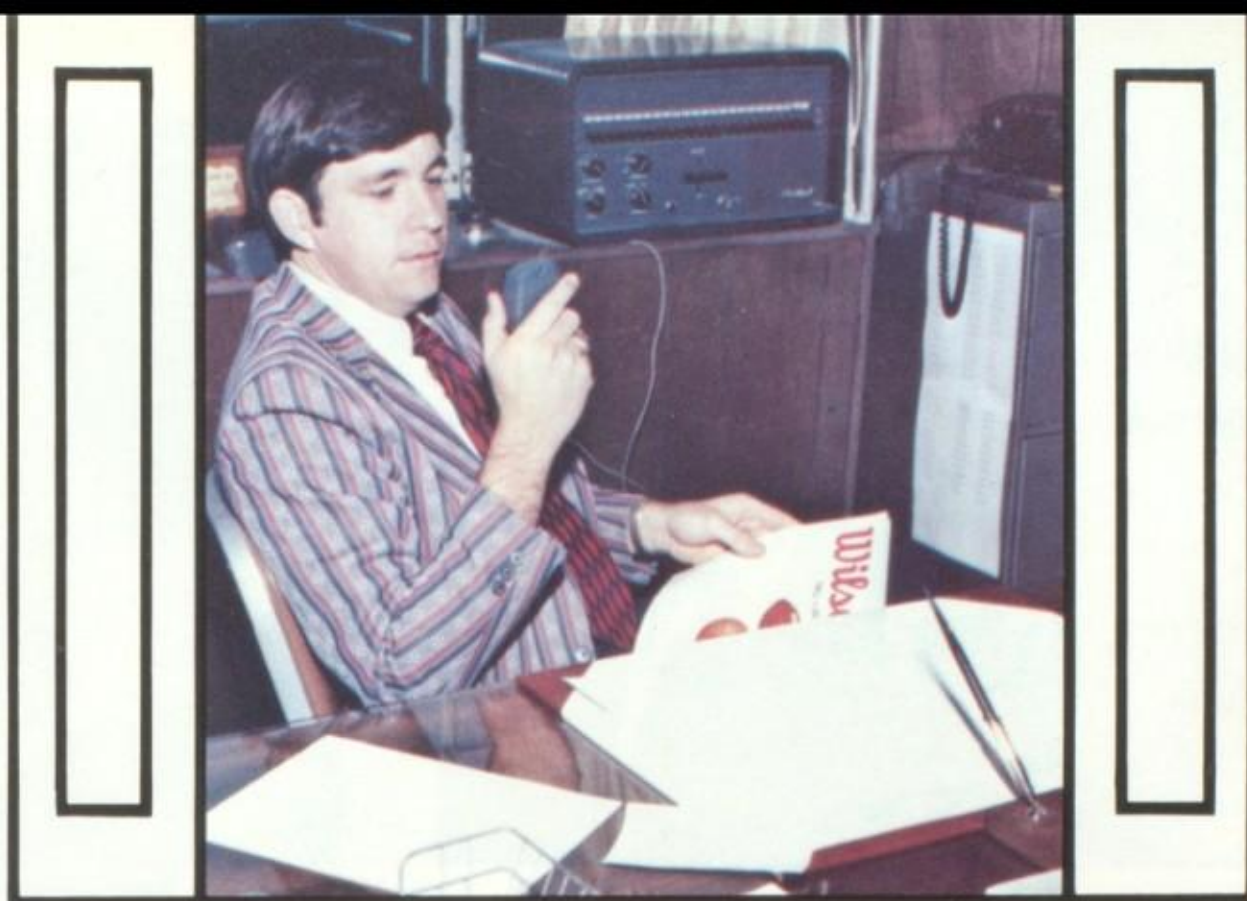

We the Senior Class of 1974
dedicate this edition of the
TALISMAN to Mrs. Peggy Thompson,
whose radiant personality and spirit
of enthusiasm inspire others to give
their best to all their endeavors.

You, the class of '74, are living in a troubled time. You are graduating into a world that has one "crisis" after another - "Watergate," the "Ecology crisis," the "Energy crisis." These are very real crises that you must face; however, they were caused by human greed, dishonesty, and lack of respect for nature and one's fellowman and can, therefore, be avoided.

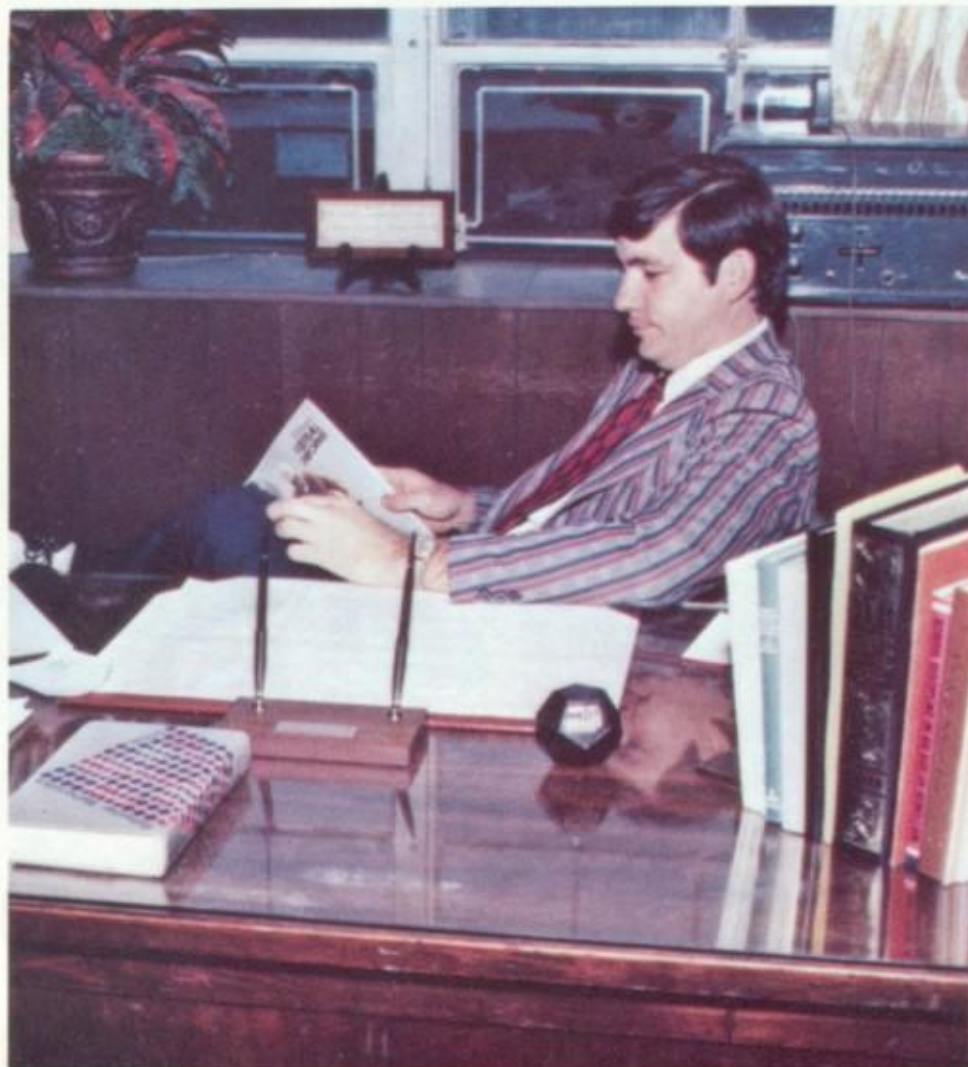

It is the hope of the faculty and administration of Dadeville High School that you have been adequately prepared to meet the future with enough understanding to help prevent future periods of crisis.

The following quote by an anonymous author states, very simply, a guide for life which can help prevent crises in our world:

"In order to pay your way as you go, as far as you can ever pay your way, you owe to mankind your friendship, your interest, and whatever you can do to better the condition of others."

Congratulations upon your graduation from high school and may God richly bless each of you with the gifts of benevolence, honesty, and respect for nature and one's fellowman.

Class Day Officers Alma Mater

When the golden sun is melting
In the purple of the night
There is promise of the morrow
That it will be fair and bright.
So today we see the gleaming
Through regrets that we must part,
Of the beauty of the future
And the hopes that fill each heart.

We go forth with firm endeavor
And a purpose ever true,
And our motto is perfection
In whatever we may do.
Though the land and sea divide us
We will ever cherish dear
Our beloved Alma Mater
And her name will we revere.

IT'S ALL IN A STATE OF MIND

If you think you can, you can . . .

If you think you dare not, you don't . . .

If you think you'd like to win, but you think you can't,

It's almost a cinch that you won't . . .

For out of this world you will find Success begins with A FELLOW'S WILL . . .

IT'S ALL IN A STATE OF MIND . . .

For many a race is lost before even a step is run . . .

For many a coward falls because what's begun . . .

Think big and your deeds will grow, Think small and you'll fall behind . . .

Think that YOU CAN and YOU WILL . . . IT'S ALL IN A STATE OF MIND.

If you think you're out classed you are . . .

You've got to think how to rise . . .

You've got to be sure of yourself before you can ever win a prize.

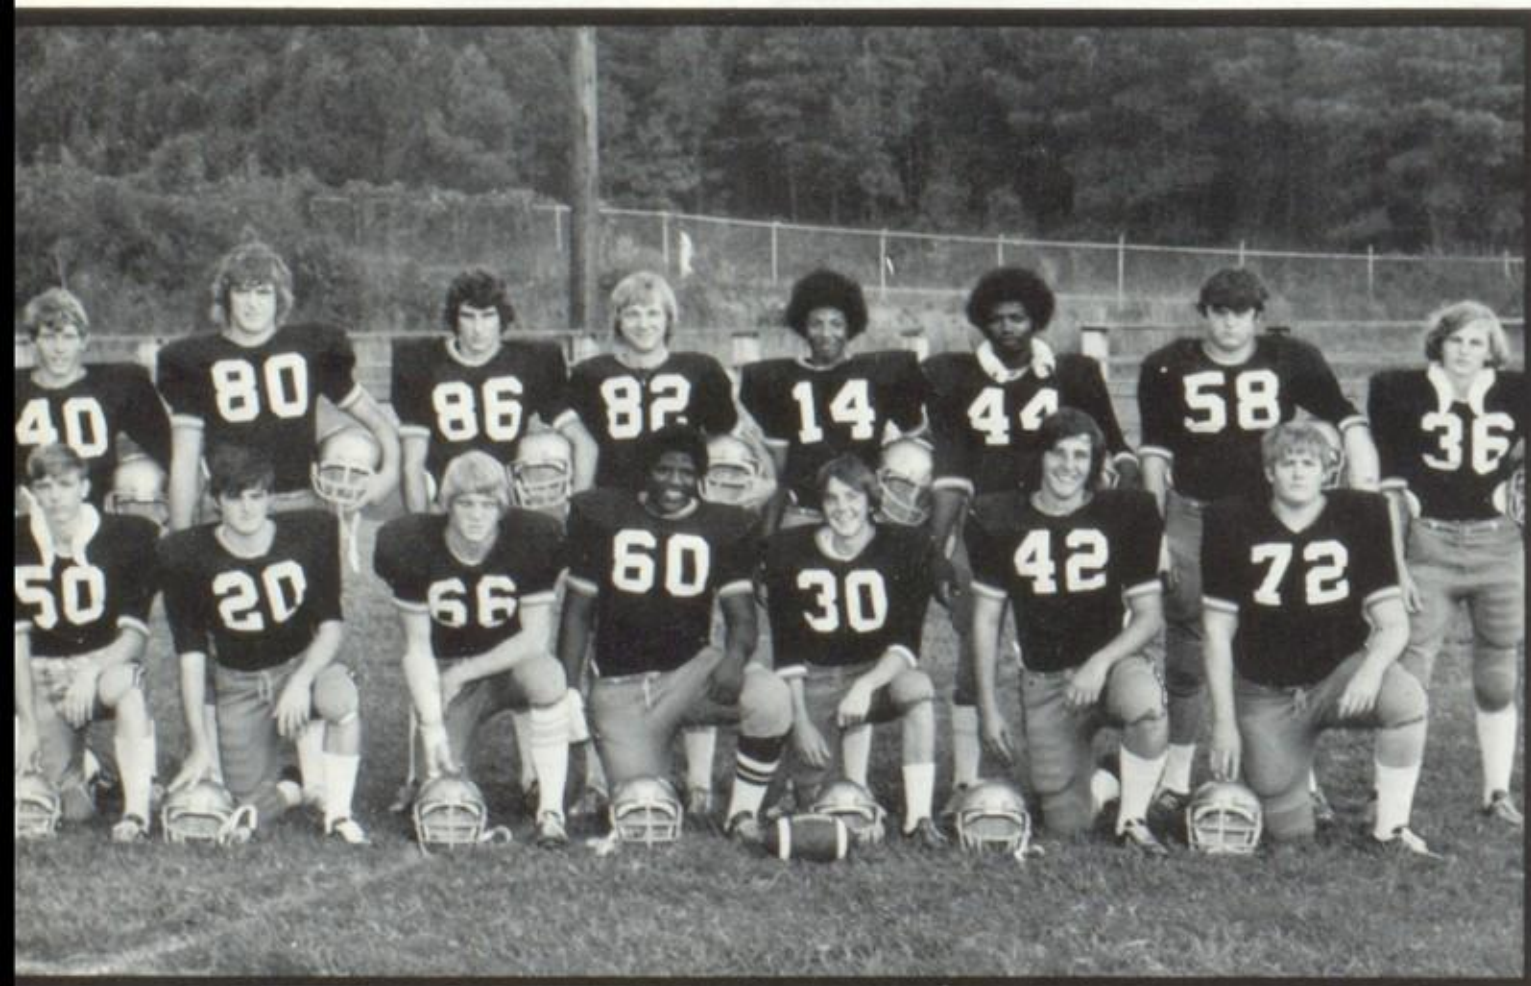

Life's battles don't always go to the stronger or faster man . . .

BECAUSE SOONER OR LATER THE FELLOW WHO WINS IS THE FELLOW WHO THINKS HE CAN.

Dadeville Finishes an Incredible Third in The State 2-A Playoffs Area Tournament

The 1974 Area 6 Tournament proved to be very successful for the host, Dadeville Tigers. The Tigers opened with pre-tourney favored Beauregard, which sported an 18-7 record against the Tigers' record of 12-14. A last second shot by Ricky Williams proved to be the difference in this game as the Tigers prevailed 55-53 behind the 18 point scoring of both Jimmy Campbell and Kerry Slaughter.

The tough Lineville Aggies fell in the semi-finals, 51-47, behind the 17 points of Jimmy Campbell and 13 by Ralph Russell.

For the Area championship, the Tigers met Handley, who had upset first-seeded Ashland in the semi-finals. Another story book ending unfolded as Dadeville won 52-50 on another last second shot, this one by Kerry Slaughter.

Regional Championship

Dadeville met Area 5 champion and defending state champion St. Jude for the right to advance to the State 2-A Tournament. The Tigers displayed perfect ball control and six for six fourth quarter foul shooting by Bubba Gibson to upset the Pirates, 39-38. Dadeville players proceeded to take the nets down for the second consecutive night as they prepared for a trip to Tuscaloosa.

State 2-A Playoffs

Dadeville opened state play against 21-4 Susan Moore. Jim Campbell paved the way with 18 points as the Bulldogs fell in another upset.

The Tigers then advanced to the semifinals and met the eventual state champion, Montevallo. A determined fourth quarter effort fell short as Montevallo prevailed, 59-51. The Tigers had trailed 18-6 after the first quarter. Bubba Gibson led the Tigers with 14 points.

The careers for Tiger Seniors Jimmy Campbell, Bubba Gibson, Kerry Slaughter, Anthony Farley, and Bruce Willis had ended on a very successful note.

MESSAGE FROM THE PRINCIPAL:

Welcome back to Dadeville High School. It is my hope that each of you have had an active and rewarding summer vacation and that you are now rested and refreshed to begin an active and rewarding school year.

We at DHS are very lucky to have an atmosphere that exists between our teachers. Let's all strive to gain more and more tolerance of each other as the year progresses.

The teachers and student body find the year very rewarding for your principal and for your cooperation.

Remember the old cleche - "Today is the rest of your life? However old it may sound, it is very, very true. For that you have had in the past and as much as you possibly can out of the present and future.

Again, welcome back and feel free to call upon your faculty when you need our help.

BOYS STATE

On June 3, about 600 boys from around Alabama began converging on Jacksonville State University. For the next week these young men would go through training in city and state government. Dadeville High School sent 4 boys to this convention, and they were Bubba Mason, Jim Wilder, and Mickey Washburn. They participated in city and state competitive athletics such as basketball, softball. The 600 boys were divided into cities. Each city had a mayor, council, and many other varied offices. Every city had its own sports which competed in the state games.

The cities were divided up into 2 parties which held caucuses and nominations, then state elections were held and the legislature went into action.

Overall, everyone had a real good time and some wished we could stay on for a while longer.
